LIST OF TEAMS & PLAYERS FORM

INSTRUCTIONS

1. Before the tournament, fill out this list of teams and players using the team and player information collected during pre-registration.
2. At the tournament, use this form to track which participants have arrived by checking the “Here?” box next to each player’s name.
    - Some players and teams who pre-register may not show up, so use this list to make last-minute adjustments to your tournament brackets.
3. When the entire team has arrived, check the ”Here?” box next to the “Team Name.”
4. If you have any FREE AGENTS, use this list to determine which teams have openings and would be able to take additional players.
